

Poltroncina "Airball Armchair" e divano "Airball Sofa" derivati dalla famiglia "Gumball", di grande impatto scenico e adatti ad ambienti in cui necessitano soluzioni di forte personalità. La superficie forata "svuota" gli oggetti e conferisce una leggerezza inedita per questa tipologia di arredi.

This armchair "Airball Armchair" and sofa "Airball Sofa" set deriving from the "Gumball" family has great impact and is suitable for rooms that require solutions with great character. The openings on the surface give unrivalled lightness for this kind of furniture.
